

# SANCTUARY MINI EM

A BEYOND BY AERUS® TECHNOLOGY

## SANCTUARY MINI EM

ActivePure® Certified Space Technology that mounts externally onto existing mini-split heating and air conditioning units to reduce air pollution, surface contaminants, odors and dust, resulting in a cleaner, healthier and more efficient indoor environment. The perfect solution for homeowners and businesses who want to reduce and eliminate harmful pathogens.

## HOW IT WORKS

- Our proprietary ActivePure® Certified Space Technology uses light waves and a catalytic process to produce scrubber ions that remove dust particles from the air
- Our Certified Space Technology continuously protects and purifies the air, and attacks contaminants on all surfaces
- Proven effective in University studies on various contaminants in the air and on surfaces
- Externally mounted by a professional onto existing mini-split HVAC systems

## SPECIFICATIONS:

|                       |  |
|-----------------------|--|
| Power consumption     | 230VAC current: 0.2A @ 120VAC<br>power factor: 0.99 power: 20W max |
| Operating temperature | 23°F-131°F (-5° C to 55° C)  |
| Air exchange          | Distribution via air handler                                       |
| Coverage              | Up to 500 ft <sup>2</sup>  |
| Warranty              | Limited 2 years, limited 1 year on cell / lamp                     |

\*Our products are not medical devices and are not intended to diagnose, treat, or cure any disease. We make no claims and no claims should be inferred as to the efficacy of our products to sanitize, disinfect or kill germs or other antimicrobials.

## BENEFITS

- ActivePure Certified Space Technology destroys up to 99% of surface and airborne contaminants
- Discreet or concealed installation
- Attaches externally to mini-split HVAC systems
- Requires only 20 watts of electricity
- Low maintenance
- Coverage up to 500 ft<sup>2</sup>
- Significantly reduces dust and odors
- Purifies air and reduces particles that can irritate allergies and asthma
- Protects people from dangerous contaminants and pollutants, and protects mini-split heating and cooling systems from dust buildup
- Creates healthy, pure indoor spaces without the use of ozone
- Removes VOCs (Volatile Organic Compounds)
- Made in the USA
